Examiner's Statement of Reasons for Allowance

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Donald Black on Sept. 4, 1997.

3. The application has been amended as follows: Please cancel claims 14 to 26, 29 to 48, 52 to 59 and 64 to 68. *8* *9/4/97*

Claims 14 to 26, 29 to 48 and 52 to 59 are drawn to a non-elected embodiment withdrawn from consideration without traverse. As noted previously, these species represent the claimed subject matter in the parent application. Claims 64 to 68 are cancelled as these claims are drawn to an invention which is patentably distinct from that of the allowed claims. These claims should have been the subject of a restriction requirement, but one was not made. Note that the reasons for allowance for the allowed claims do not apply to these claims since none of the critical limitations are found in claims 64 to 68.

4. The following is an examiner's statement of reasons for allowance: for reasons consistent with those given by applicants the instant claims are in condition for allowance. Note that the amendments have been made in accordance with the Examiner's suggestions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Margaret Glass whose telephone number is (703) 308-4334.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 308-2351.

Any **official** documents can be faxed to the Crystal Mall FAX Center at (703) 305-5433 or 305-5408. Please do not send any informal communication or proposed amendments to this number.
